Good afternoon -

This email is being submitted on behalf of Southern Media Interactive, LLC ("Southern Media") pursuant to the FCC's Public Notice DA 22-29 (Released January 11, 2022) regarding the suspension of Consolidated Database System (CDBS) filings. The instant filing is not yet accepted in the Licensing and Management System (LMS).

Please be advised that WSEG-AM (25548) at Savannah, Georgia and associated FM Translator Station W282AR (151474) at Savannah, Georgia ceased broadcast operations on April 1, 2022 as a result of rodent infestation that damaged the WAMI transmitting equipment. Since W282AR rebroadcasts WAMI, that translator was shut down as well.

Southern Media is taking steps to repair the WSEG transmitting equipment as soon as possible but that site is not easily accessible. In the event broadcast operations cannot be restored by the end of this month, the requisite silent status STA Request will be submitted.

The FRN for Southern Media is 022 1477 14.

Neither Southern Media nor any party to this request is subject to a denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. Section 862.

Should any questions arise concerning this submission, please contact the undersigned counsel.

Thank you.
